

The Brittonic Language in the Old North

A Guide to the Place-Name Evidence

Alan G. James

Volume 3

Index of Place-Names

2023

Index of Place-Names

This index locates the element-headwords under which the place-names are considered, but it should certainly not be taken as a guide to etymologies. The alphabetical ordering disregards spaces, so, for example, *Aber lleu* follows *Aberlessic*.

A

<i>Aballava</i>	aþall
<i>Abercarf</i> Lnk	aber carw *garw
<i>Abercorn</i> WLo	aber carn -īg
<i>Aberdour</i> Abd	aber
